Portable Gasoline-Powered Cold Water Pressure Washer for Professional Use

Portable Cold Water Gasoline-Powered Pressure Washers for All-Around Professional Use at Work or Home

Kärcher's Xpert series is a professional-grade line of cold water pressure washers. Powered by reliable Honda engines, Kärcher offers you your

- **Crankcase Pump has 7-Year Warranty**
- **Reliable Honda Engines**
- **E-Z Pull Starting**
- **UL-1776 Safety Certification**

choice of 160CC (5 HP) units with axial pumps or 196CC (6.5 HP) and 389CC (13 HP) units with Kärcher crankcase pumps. These Xpert units feature commercial-duty guns and wands and come with downstream chemical injection, four hardened stainless steel quick-couple nozzles and feature 25 or 50-ft of contractor-grade hose rated for 4,000 PSI. The precision welded frames and pneumatic tires make these pressure washers easy to maneuver on any terrain yet they are compact enough to fit in the trunk of most cars.

TYPICAL APPLICATIONS

- Buildings
- Concrete
- Machinery
- Vehicles
- Sidewalks, Stone
- Heavy Equipment
- Painted Surfaces
- Agriculture

WHY KÄRCHER

Kärcher is the most trusted name in pressure washers—a fact confirmed when Kärcher was the only brand selected to clean the famous Mount Rushmore National Monument in 2005.

Founder Alfred Kärcher invented hot water pressure washing in 1950. Today, as the world's largest manufacturer of pressure washers, Kärcher is the recognized innovative leader in the industry with over 300 patents.

Note: Specifications and features subject to change without notice. Flow rates and pressure ratings may vary due to variances allowed by manufacturers of our machine components. Target performance ±5% of listed specifications. Listed engine horse powers are gross ratings as provided by the engine manufacturer.

On crankcase pumps

Xpert-HD 3.8/35 P
36.5" x 23.5" x 30.5"

Xpert-HD 2.3/23 P
23" x 22" x 25"

Xpert-HD 2.5/27 P
23" x 22" x 25"

- Industrial-grade, direct-drive **high-pressure pump** features a triplex, forged brass head with a 7-year warranty (on crankcase pumps only)
- **E-Z Start Valve** for resistance-free pull starting of the 13 HP engine
- **Thermal Pump Protector** to prevent excessive temperatures inside the pump
- **Rubber pad feet** keep the unit stationary and prevent it from "walking"
- **Pneumatic tires** make for easy maneuvering on all terrains
- Easy-to-attach **detergent injector and soap nozzle** for quick application of detergents
- **1- 1/4 handles** on both front and back provide easy loading and unloading in a vehicle
- **Hose and gun hangers** provide added convenience
- Comfortable non-fatiguing **trigger gun** is insulated and spring loaded
- 2700 PSI models and above feature industrial duty **Honda GX Engines** with 3-year warranty and easy-access oil drain⁺
- Four **quick couple nozzles** made of hardened stainless steel and color-coded to easily select spray pattern (0°, 15°, 25°, 40°)
- 50 foot steel-wire braid **high-pressure hose** with hose guard for burst protection and swivel fitting for tangle-free operation⁺
- **Side-grip spray wand** for ergonomic operator comfort
- **Welded steel chassis** protected by all-weather, epoxy powder coat finish for durability and is ergonomically designed for user comfort

⁺ 160 CC models feature 25' hose and have a 2-year residential warranty
